Dear Patient,

Welcome to our practice at Heritage Valley Medical Group Endocrinology. My staff and I look forward to meeting you.

We appreciate the opportunity to provide you with the best possible endocrine care. Our staff is comprised of highly qualified professionals who work together as a team to bring you the most optimal, coordinated care. For diabetes and prediabetes, we work very closely with Heritage Valley Community Health Services in achieving the most dynamic and educational treatment plans to help you achieve your goals. You are very important to us and we hope to be able to earn your trust and confidence.

Your first visit to our office will include a thorough evaluation. After your examination, we will discuss our recommendations and a treatment plan.

Please remember to bring the completed office forms, a photo ID, your insurance card, co-pay (if applicable), a list of your current medications, and your glucometer (if applicable).

Our office hours are Monday through Friday 8:00 am to 4:30 pm.

Once again, thank you for selecting our office. Please do not hesitate to contact us with any questions.

Sincerely,

Samantha DeMauro-Jablonski, MD
