Dear Valued Patient,

We are contacting you to advise that as of February 26, 2020, physician assistant Haley Patton will no longer be with HVMG Cherrington Medical Associates. She is leaving the area due to the relocation of her husband's job. Although we are very sad to see Haley leave, we wish her and her husband the best of luck in their new home.

Transition plans are in place. Urgent and immediate care is available daily through any of the Heritage Valley ConvenientCare Centers. Their locations are posted on the system website, [www.HeritageValley.org](http://www.HeritageValley.org). A permanent replacement provider has not yet been chosen but we hope to have another experienced provider as soon as possible. Also, there are several other Heritage Valley Health System Multispecialty Group-medical practices available in the Moon, Coraopolis, Kennedy and Robinson areas that are accepting new patients. Information on those office sites can also be found on the system website or by calling our Find-A-Doctor line at 1-844-769-3627.

We understand this sudden change may be unsettling and we will do our best to make the transition as smooth as possible. We appreciate your patience and your continued trust in our health system. Our ultimate goal is to ensure that you continue to receive high-quality care here in the Heritage Valley community.

Sincerely yours,

  
Stephen J. Osmanski, M.D.
