Ohio Valley Hospital in the Community

OUR IMPACT

ANNUAL COMMUNITY BENEFIT REVIEW FISCAL YEAR 2017

It is Ohio Valley Hospital's mission to provide programs and services that improve the quality of life of community members across our service area. Our staff and administration strive to provide caring, cost-effective, and friendly health care. We view safety and quality as top priorities — while also encouraging innovative and creative approaches to improving patient outcomes.

Spending Time with the Community

Ohio Valley Hospital and Kennedy Township's 36th Annual 5K Run/Walk in 2017.

We had more than 260 people sign up and run in one of the largest turn outs in more than a decade!

We truly appreciate our OVH Volunteers!

Some of whom have put in more than 12,000 hours here!

Our 9th Annual Diabetes Day was a big hit with more than 160 attendees, and several vendors!

We offered a lot of free testing, including A1cs, bone density tests, and more!

OVH celebrated Heart Month in February with a Heart Healthy Fair.

This Fair was held at the Crafton Senior Living Apartment building.

OVH was proud to participate in Focus On Renewal's Family Table program at the Father Ryan Art's Center.

The program is designed to help families make more nutritious decisions during meal prep.

Every April, we celebrate our Volunteers during National Volunteer Week with a luncheon and gifts.

We thank each and every one of our volunteers!

Community Outreach - # of Persons Served

Our Seniority group gets together every year for a summer picnic.

What picnic would be complete without entertainment?!

Every year for the OVH 5K, our Physical Therapy department gets a big group together to run and walk!

They design their team shirts and the course!

Charity Care

FY2017 Diabetes Tests
