Dear Patient of HVMG West Allegheny Healthcare,

It is with mixed emotions that I share with you that I will be leaving HVMG West Allegheny Healthcare as of July 29, 2022. While I have been honored to practice in such a wonderful community and have greatly enjoyed being your physician, my family and I have been presented with an opportunity and will be relocating out of state.

My partner, Dr. Todd McCaslin, and I hope that you will remain a patient of HVMG West Allegheny Healthcare. We have a Nurse Practitioner, Amber Prebeg, joining the practice on August 30, 2022. We also have an excellent group of Physicians and Physician Assistants at our neighboring practice, HVMG Park Manor Medical Associates, located in the Heritage Valley Robinson Township Medical Neighborhood; 2201 Park Manor Boulevard. This practice offers new patient appointments, as well as new sick visit appointments. For an appointment or information, please call 412-749-6920.

If you have an appointment scheduled with me before July 29, 2022, please keep your appointment. I will personally discuss how to transition you to our Advanced Practice Provider or another HVMG Primary Care Physician.

It has been my pleasure and honor to have been your physician. I hope that you remain with HVMG West Allegheny Healthcare, as I feel confident that you will continue to receive the high level of care and compassion to which you are accustomed. Please feel free to contact the practice at 724-773-3001 if you have any questions or concerns.

Sincerely,

Cheng Lee, MD
