Dear Patient/Responsible Party:

Thank you for choosing Heritage Valley Kennedy for your healthcare needs. Heritage Valley Kennedy is committed to treating all patients with compassion and providing personalized health care services in a friendly, caring and cost-effective manner while continuously improving quality, safety, comfort and well-being.

Heritage Valley Kennedy provides a financial assistance program, the Heritage Valley Cares Program, to assist underinsured or uninsured patients. This program may be able to assist you with expenses incurred from services you received at Heritage Valley Kennedy.

Please note: The Heritage Valley Cares Program only applies to hospital bills, and does not include any other medical bills you may have such as physician, radiology, ambulance, etc.

To see if our program can help you, please review following application. In order to be considered for full assistance, please complete the application, sign the bottom, supply all requested documentation and return it to us within fourteen (14) days of receipt. All information is kept private and is used solely to process your application for the Heritage Valley Cares Program.

It is necessary for you to provide us with the following current documents, these are required in order to process the application:

Last 3 months of Employer Pay Stubs or W-2 or Social Security Letter
Last 3 months of all bank statements, complete statements
Medical assistance denial letter (for self-pay patients only)

Please mail completed application to:
